MEET RACHEL

Leaders living in victory finding success and significance

Rachel Cipriano is a world class speaker, esteemed author, and sought after coach. She is the founder and CEO of Magnificent Resilience, a company dedicated to the spiritual growth of leaders everywhere. Her many years of serving in Christian leadership, as well as her credentials both as a CLASS (Christian Leaders Authors Speaker Services) and Upper CLASS graduate, make her the ideal person to facilitate spiritual transformation in the lives of others. She also holds a Bachelor's degree in psychology and a Master's degree in counseling.

Rachel believes everyone from the receptionist to the CEO is a leader in some capacity. While some have trouble accepting supervision, Rachel believes a far greater problem Christian organizations must resolve is having too many followers and not enough leaders. She empowers others to take personal initiative, ownership, and responsibility while remaining in a spirit of cooperation.

Rachel is a leadership catalyst who skillfully inspires others to spiritual maturity. Her messages consistently emphasize how Christ's resurrection power builds the resilience necessary to not only triumph over the trials of life, but to also help others do the same.

Magnificent Resilience: God, Can I Have a Unicorn in My Backyard?

Sometimes Christians can become discouraged by unrealistic expectations. A world full of theologies promising utopia on this Earth can cloud the reality of Biblical truth. Jesus said in this world we would have trouble, but to take heart because He had overcome the world. Renew your understanding of what it means to walk in godly joy in an imperfect world.

Magnificent Resilience: Love and Hope

Learn more about how these two virtues are indispensable. Hope provides the necessary optimism to encourage others, as well as, yourself. Compassion is the signature of a mature believer. It is what frequently attracts others to the faith providing a striking contrast to the apathy which often is present in the world. Grow in these attributes to become more victorious and contagious.
